

CMS FOR WEB PROJECT

LYCEE RAVEL 2016

WHAT IS A CMS

- CMS = content management system
- Ou en Français SYSTÈME DE GESTION DE CONTENU
- Need a data base like mySql
- Need PHP Server

EXEMPLE OF CMS

- SPIP
- WORDPRESS
- DUPRAL
- JOOMLA
- ETC ...

WHY USING A CMS

- easy to create and modify article and content
- Easy for team work
- Easy to personalize for administrator with the free template
- No need developpement capacity
- You can publishe and unpublish a article easier

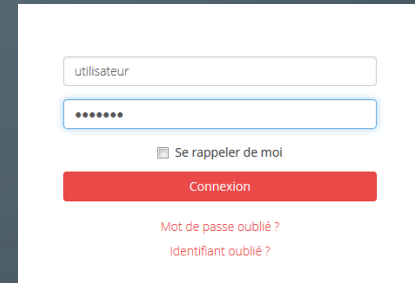

JOOMLA

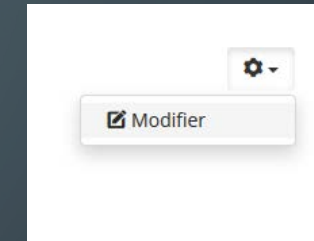

- Two part : backend and frontend
- Backend for administrator
- Front end for user,visitor and editor user

FRONT END EDITING MODE

- Login with your name and password
- clic on the cog-wheel then modify

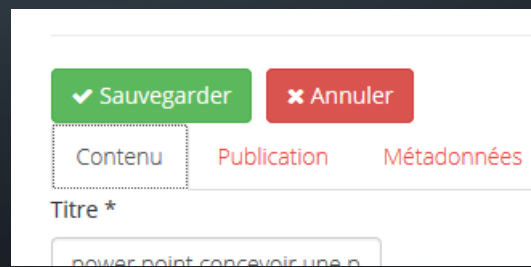

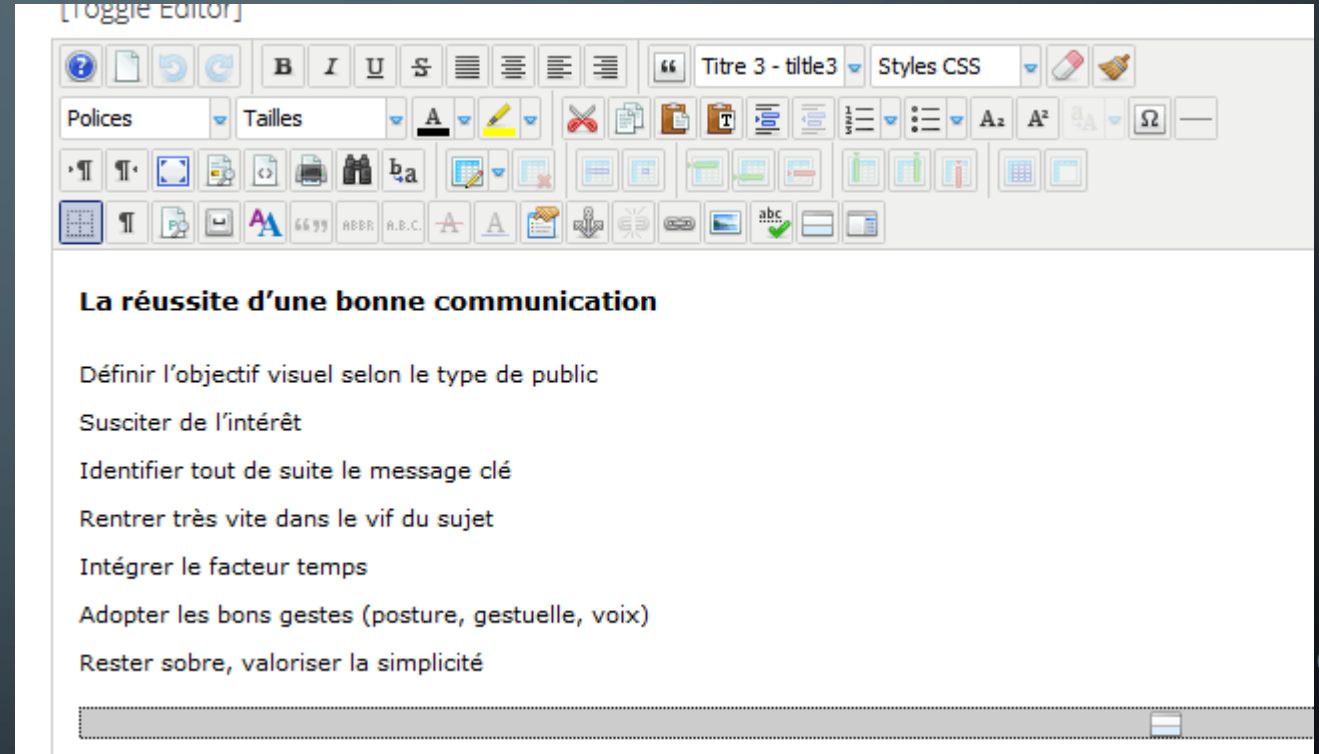

A screenshot of a login form. It features two input fields: the first is labeled 'utilisateur' and the second contains masked characters. Below the fields is a checkbox labeled 'Se rappeler de moi' and a red 'Connexion' button. At the bottom, there are two links: 'Mot de passe oublié ?' and 'Identifiant oublié ?'.

A screenshot of a website page. The header includes the site name 'bureautique' and navigation links: 'ACCUEIL', 'FORMATIONS MENU', 'DÉPANNAGE', and 'CONTACT'. The main content area features the title 'power point concevoir une présentation' and a sub-section 'La réussite d'une bonne communication' with a 'PLAN DU SITE' link and a cogwheel icon. Below the title is a list of bullet points: 'Définir l'objectif visuel selon le type de public', 'Susciter de l'intérêt', 'Identifier tout de suite le message clé', 'Rentrer très vite dans le vif du sujet', 'Intégrer le facteur temps', 'Adopter les bons gestes (posture, gestuelle, voix)', and 'Rester sobre, valoriser la simplicité'. A 'Lire la suite...' button is located at the bottom.

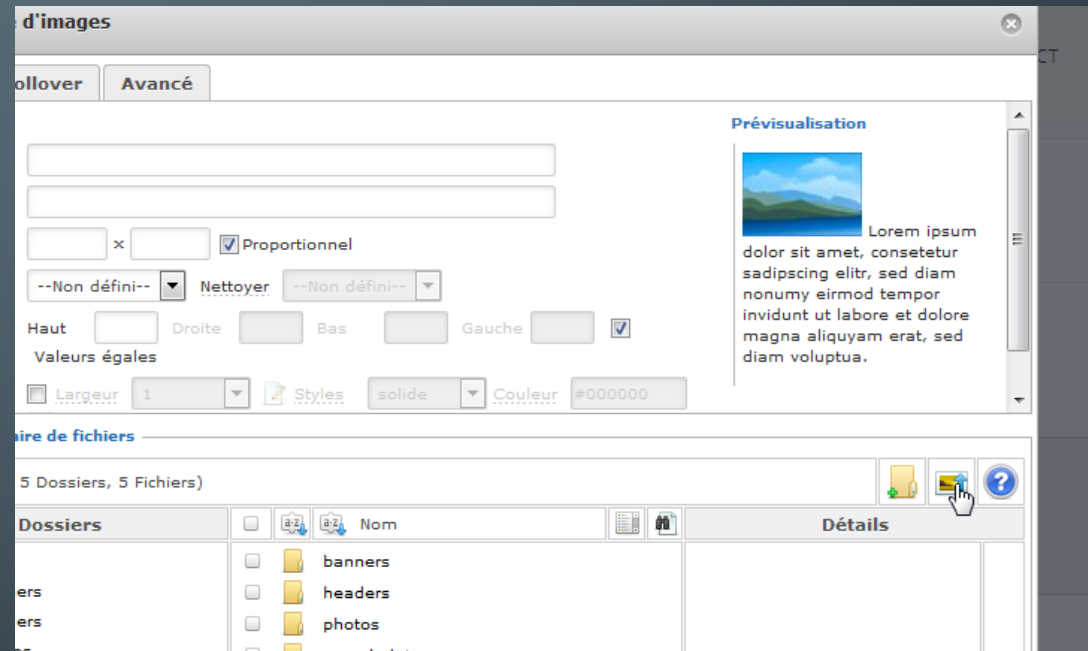

FRONT END EDITING MODE – MODIFY MODE

- Now you are in editing mode
- You can modify, add or cancel text, picture or youtube videos for example
- You can modify style of text (bold italic, justify etc,)
- Save and it will take effect

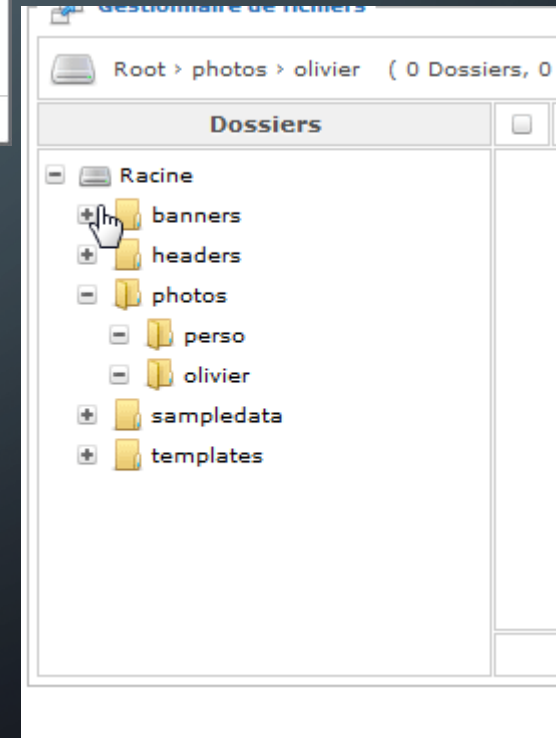

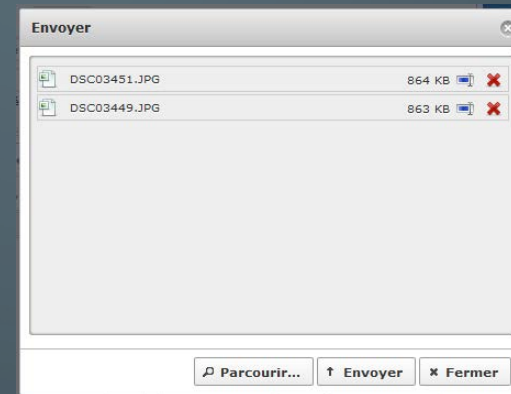

FRONT END EDITING MODE - UPLOAD PICTURE

- To upload a picture click on the image icon 
- then on 
- Navigate on your computer to your images folder or drag and drop the picture

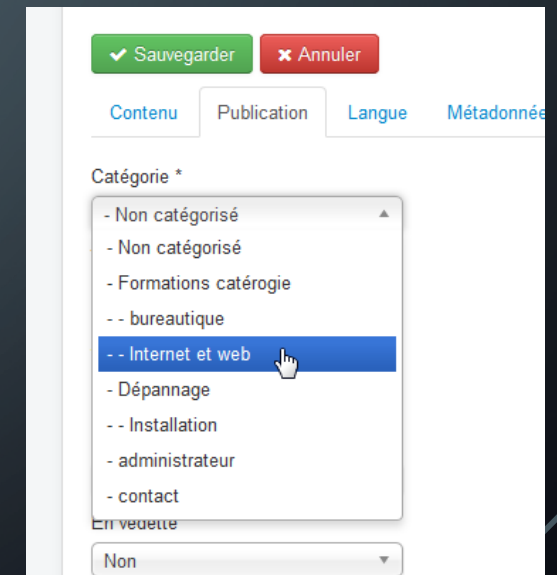

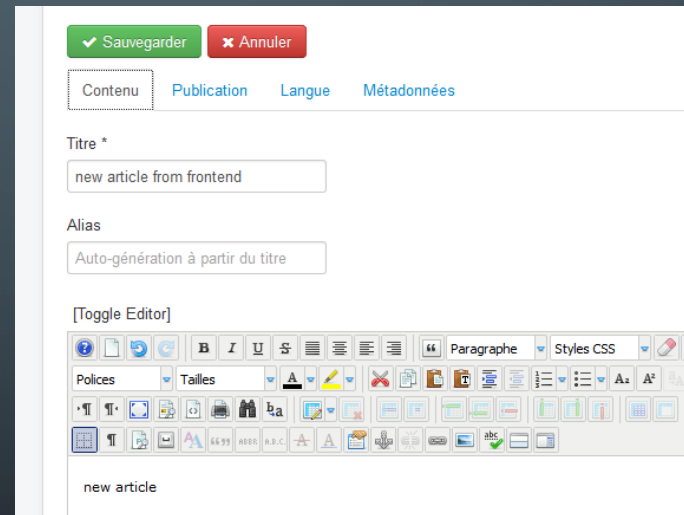

FRONT END EDITING MODE – UPLOAD PICTURE

- You can transfer one or more picture in the same time
- Be careful to upload file doesn't exceed 400-500 ko
- It's better to upload picture in a personal directory instead of root

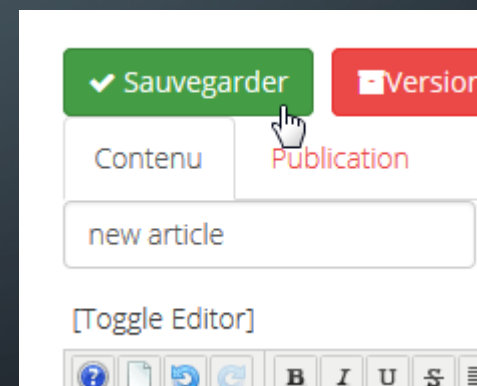

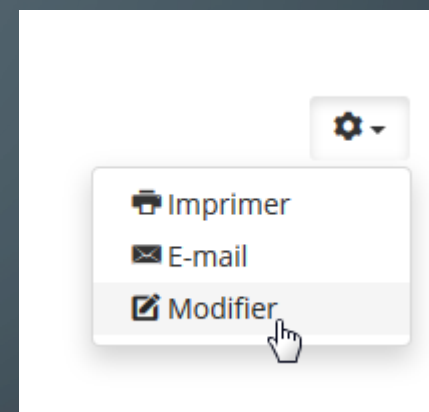

CREATE A NEW ARTICLE FROM FRONT-END

- Clic on the pen then on new
- Wirte the title
- Write the text in the body
- Go to publication and assigne à category
- And then clic to save , youn article is published on line

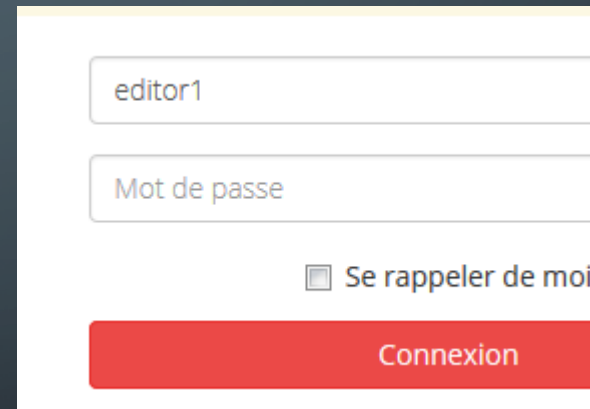

MODIFY AN ARTICLE FROM FRONT-END

- Clic on « modifier »
- Make modification
- Then clic on « sauvegarder »

LET'S TRAINING

- GO TO <http://ilargia.franceserv.com/>
- Login : editor2
- Password : ilargia
- Or the your personal login what i gave you during the stage

A screenshot of a login form. It features two input fields: the first contains the text 'editor1' and the second is labeled 'Mot de passe'. Below the password field is a checkbox labeled 'Se rappeler de moi'. At the bottom of the form is a red button with the text 'Connexion' in white.
